- 14 Te Mata Peak
- 15 Frimley Pool

We've created over 100 kilometres of new cycle lanes connecting our iWay commuter routes and making it safe for cyclists and motorists to use our roads.

- A GOOD CYCLIST WILL:**
- Make eye contact with drivers
 - Communicate with hand signals
 - See and be seen
 - Use lights at night

- A SAFE DRIVER WILL:**
- Ease the pace and give cyclists space
 - Look for cyclists before opening car doors
 - Keep cycle lanes clear

iway
walk, bike, drive
